

Georgi Todorov

Senior Frontend Developer

Frontend developer with nearly a decade of professional experience building web applications. I've worked across the React, Angular, and Vue ecosystems and care deeply about performance, accessibility, and delivering a great user experience through thoughtful design and clean code.

Experience

- Senior Frontend Developer @ [Lab08](#) June 2020 - March 2026

Worked with Angular, React, and Vue across multiple successful projects — both greenfield and existing codebases.
- Frontend Developer @ [Haemimont AD](#) July 2017 - June 2020

Worked with modern frameworks like React and Angular as well as legacy technologies like jQuery.
Involved in the full development cycle — from design through implementation to manual and automated testing.

Education

- B.Sc. Informatics, RWTH Aachen University 2011 — 2017
- Baba Tonka High School of Mathematics, Ruse 2006 — 2011
